Funding Areas

Change Needed

Signals of Progress

Shared Impact

Goals

Alternatives to Jail

INCLUSIVE ACCESS

- Increased engagement or retention in supports
- Increased connections for help and support
- Increased skills or awareness for addressing mental health and substance misuse issues
- Increased resilience and ability to cope with challenges

Reduce substance misuse (including maintained healthy relationship with substances)

Improve or maintain mental health (including reduced harm to self and others)

Community-Centered Solutions

ATTENTION TO FIT

- Reduced disparities in engagement; use of services by those not typically seen or served
- Increased trust, satisfaction, comfort with care
- Reduced stigma
- People providing care are able to stay engaged in role and/or feel valued and supported

Reduce entry or recidivism into the criminal legal system for those experiencing mental health and substance misuse challenges

Increase equity in mental health and substance misuse outcomes

Youth

CARE OVER TIME

- Increased options for crisis care and acute care needs
- Improved coordination, particularly across types and levels of care
- Increased retention through transitions
- Stability over time for those engaged in services and supports
