

Alternatives to Jail 2022 Grants

In 2022, Caring for Denver Foundation approved 18 grants totaling more than \$12.1 million to community organizations and City of Denver agencies to prevent individuals struggling with substance misuse and mental health distress from entering or re-entering the criminal justice system. Grants will support programs that help appropriately move Denver from a criminal justice response to a public health, trauma, mental health and substance misuse crisis response.

5280 High School – Recovery High School Programming & Mental Health Supports

To provide a strong pro-social peer community, specialized recovery supports, and an engaging educational environment to hundreds of Denver teens.

5280highschool.org

City and County of Denver - Denver Police Department – DPD Co-Responder Program

To continue the co-responder program, providing 24/7 coverage to areas of highest need with clinicians, case managers, a clinical supervisor, a DPD case manager supervisor, and a part-time evaluator. This year, three additional clinicians will be placed with the Fire Department and Park Rangers.

denvergov.org/content/denvergov/en/police-department.html

City and County of Denver - Denver Sheriff – Case Management and MAT Coordination

To provide additional incarcerated individuals with case management and reentry services and coordinate the medication-assisted treatment (MAT) program to expand and improve access to jail-based MAT continuation and induction.
