

Here are links to social media templates available for showcasing your recently acquired grant. Select a meaningful image from your organization that reflects the essence of your work and insert it into the template. In case you don't have images you would like to share, you can utilize the generic post option and customize the text with your organization's name. Ensure that all design elements, except for the image and organization name text, remain locked. Please refrain from unlocking or modifying any design elements. Don't forget to tag @caring4denver to allow us to celebrate your accomplishment!
